iconstorm DIGITAL DESIGN

WE ARE LOOKING FOR A

Junior Digital Designer

YOUR TASKS

- You develop UX and visual design for digital products.
- In a team you work out ideas, concepts and visualizations.
- You support project-related market and method research.
- You are independently responsible for the implementation and design of sub-projects.

YOUR NEW TEAM

Iconstorm is an agency for the design of digital products. We believe in the importance of good design and create meaningful innovations. In our spacious rooms in Frankfurt's West-end district, we work on sophisticated design and innovation projects for international corporations, forward-thinking medium-sized companies and ambitious start-ups. We are charged with creativity, attention to detail and a clear claim to leadership in digital change. Our high expectations – in us, our projects and the quality of our results – characterise our daily work.
