iconstorm DIGITAL DESIGN

WE ARE LOOKING FOR A

UX Designer for Hybrid Products

YOUR TASKS

- You are responsible for integrated digital design in the context of strategically managed brands.
- In a team you will work out ideas, concepts and visualizations for convincing products.
- You conduct substantiated research and thorough testing.
- You will lead ideation processes with teams and clients.
- You support us in conducting internal and external workshops (e. g.: Design Thinking, Google Design Sprint and your own formats and derivations).

YOUR NEW TEAM

Iconstorm is an agency for the design of digital products. We believe in the importance of good design and create meaningful innovations. In our spacious rooms in Frankfurt's West-end district, we work on sophisticated design and innovation projects for international corporations, forward-thinking medium-sized companies and ambitious start-ups. We are charged with creativity, attention to detail and a clear claim to leadership in digital change. Our high expectations – in us, our projects and the quality of our results – characterise our daily work.

Your qualifications, our offer and our contact data [>](#)

YOUR QUALIFICATIONS

- Excellent conceptual and creative ideas for digital products for international brands.
- Attention to detail and empathy for team, customers and users.
- An intuitive understanding of complex interrelationships in cross-media offerings and hybrid products made of software and hardware.
- Interest in current and future trends in design, technology and society.
- Methodical approach and a well-founded understanding of methods of user-centered design and workshop formats such as Design Thinking, Design Sprints.
- Completed studies (visual communication, product design, etc.) or a comparable qualification.
- Know-how from at least 5 years of professional experience.
- Confident use of design and prototyping tools such as Sketch, Axure, Adobe CS, inVision, and Flinto.
- Good command of German and English, both spoken and written.
- Knowledge in related areas such as branding, programming, photography, film are particularly welcome and will enrich our team.

OUR OFFER

- Within our team you will take on exciting and challenging projects for international clients.
- Regular advanced training is a matter of course for us.
- You will enjoy attractive conditions and develop with us a sustainable creative innovation and design culture.
- A better Monday morning in a familiar and enthusiastic agency with heart, humor and team spirit.
